

SAWGRASS FOUNDATION ANNUAL REPORT

Dear friends, neighbors, and fellow members,

Our first official year of operation has come to a close and we want to report back to you, who have made all of our efforts possible, and let you know what we have all accomplished together in 2020.

OUR MISSION: *"The Sawgrass Foundation is dedicated to the support of SGCC staff and their families to include educational stipends, crisis relief assistance, and other charitable opportunities to help SGCC employees."*

We first incorporated in April 2020. Our official IRS 501(c)3 approval letter has been received and effective as of 14 April 2020. Our fund raising began on 27 April and in 8 months we have accomplished a great deal. Initially we focused on the National Coronavirus crisis and were able to directly support 84 hourly employees who were significantly reduced in hours and gratuities with payments in May and in June. A total of \$65,000 was disbursed, thanks to your generosity.

Since July we have created a website and begun providing scholarships for further education for staff and/or their immediate families. We started 6 scholarships in September and expect to support at least 7 scholarships for the Spring semester. Payments are made directly to schools. Scholars are

expected to show successful completion of courses before next semester's stipend is approved. Please visit our website, www.sawgrassfoundation.org, to learn more about scholarships.

GOING FORWARD

In 2021, we plan to continue to expand our educational support and to grow our funds to be ready for the next crisis where our staff may need assistance. It could be another Pandemic, or a Hurricane, or some other widespread need. Please continue your support and let us know what you think.

Our website has all the details on how to donate, how you can help as a mentor or volunteer. We will have at least one major event in 2021 to support our cause and grow the recognition of what the Foundation is trying to do to support our staff and our community.

In the appendix to this report you will find the financial report on how much we raised and how it has been used. Also in the appendix is a list of all our generous donors who have contributed during 2020. All of you should be receiving annual donation acknowledgement letters in the coming week.

There were 399 Donors in 2020. 91 people contributed more than once.
What a great group of people we have as staff AND as fellow members.
Thanks again for your generosity. We pray that 2021 will be a
